NO TITLE OVER 30 DAYS

The buyer must give RAA notice prior to returning the vehicle after the 30-day waiting period. If the seller presents a valid negotiable title to the auction before close of business on the next business day (excluding weekends and auction observed holidays) from the time that the Buyer notifies the auction of their intent to return the vehicle, then the transaction will stand. Vehicles must be returned in the same condition as the time of purchase. Any vehicles with mileage deemed excessive at the auction's discretion will be billed to the buyer at the adjusted MMR.
